Falk, R.J., Nemiro, J.S. and Rifka, S.M.
AJOG. Vol.140 No. 7. Pages 837-839.

...

Low Tubal Transfer: An Alternative to In-Vitro Fertilization and Embryo Transfer.

Nemiro, J.S. and McGaughey, R.W. 1986.
Pacific Coast Fertility Society Annual Meeting, San Diego, April 6-9 (Abstract).

...

Improved Success with Tubal Transfer (TT) of Human Oocytes and Spermatozoa.

Nemiro, J.S. and McGaughey, R.W. 1986.
Annual Meeting, The American Fertility Society, September 27- October 2 (Abstract).

...

An Alternate to IVF-ET: The Successful Transfer of Human Oocytes and Spermatozoa to the Distal Oviduct.

Nemiro, J.S. and McGaughey, R.W. 1986.
Fertility and Sterility. 46:644-652.

...

Correlation of Estrogen Levels with Oocytes Aspirated and with Pregnancy in a Program of Clinical Tubal Transfer.

McGaughey, R.W. and Nemiro, J.S. 1987.

Fertility and Sterility. 49:98-106.

...

Tubal Transfer of Oocytes and Sperm as a Success Treatment for Infertility.

Nemiro, J.S. and McGaughey, R.W. 1987.

Annual Clinical Meeting of the American College of Obstetrics and Gynecology. April 27-30 (Oral).

...

Influence of Follicular Number, Number of Oocytes Aspirated and Quality of Aspirated Oocytes on Successful Treatment of Infertility by Tubal Transfer.

McGaughey, R.W. and Nemiro, J.S. 1987.

Pacific Coast Fertility Society Annual Meeting, San Diego, April (Oral).

...

Pregnancy with Tubal Transfer as Influenced by Method of Ovarian Stimulation.

Nemiro, J.S. and McGaughey, R.W. 1988.

Pacific Coast Fertility Society Annual Meeting, April (Oral).

...

Initial Success with Establishment of Pregnancy by Tubal Transfer (GIFT).

McGaughey, R.W. and Nemiro, J.S. 1988.

Infertility 11:233-243, 1988.

...

Method of Ovarian Stimulation Influences the Success of Gamete Tubal Transfer (GIFT).

McGaughey, R.W. and Nemiro, J.S. 1989.

...

Improved Success with Tubal Transfer of Human Oocytes and Spermatozoa.

Nemiro, J.S. and McGaughey, R.W. 1986.

Samaritan Medicine. Vol. 4, Issue 4, Issue 3 Summer, 1986.

...

Perinatal Outcome of 310 Consecutive Pregnancies Achieved by Tubal Transfer.

Jackson, D.N., Nemiro, J.S. and McGaughey, R.W. 1992.

...

Perinatal Outcome in 310 Consecutive Pregnancies Achieved by Tubal Transfer.

Jackson, D.N., Nemiro, J.S. and McGaughey, R.W. 1992.

Presented at the American College of Obstetrics and Gynecology (ACOG) Annual Meeting. April, 1992 (poster).

...

Method of Ovarian Stimulation Influences of Success of Gamete Tubal Transfer (GIFT).

McGaughey, R.W. and Nemiro, J.S. 1990.

...

Elevated Estrogen Influences Incidences of Oocyte Atresia, Pregnancy and Pregnancy Loss with GIFT.

McGaughey, R.W. and Nemiro, J.S. 1990.

Pacific Coast Fertility Society Annual Meeting. April 1990 (Oral).

...

Current Success, Future Dreams.

Nemiro, J.S. 1990.

Conceive Magazine. Reproductive Magazine. Pgs. 17-19.

...

Tubal Disease as an Indication for Tubal Transfer.

Nemiro, J.S. and McGaughey, R.W. 1992.

ACOG 41st Annual Meeting. May, 1993 (Poster).

...

Multiple Pregnancy with Gamete Intrafallopian Tube Transfer (GIFT): Influence of Oocyte Quality and Number of Oocytes Transferred.

McGaughey, R.W. and Nemiro, J.S. 1993.

Submitted, ACOG

District VIII/IX Meeting, Oct. 1993.

...

Benign Gynecological Condition Associated with CA 125 Level Greater Than 1,000 U/mL: A Case Report.

Kammarer - Doak D.N., Magrina, J.S., Nemiro, J.S., Lidner, T.K. 1994.

Journal of Reproductive Medicine. June 1994.

...

Stability of the Meiotic Spindle Following Rapid Cryopreservation and Thawing of Syrian Hamster Eggs.

McGaughey, R.W. and Nemiro, J.S. 2001.

American Society of Reproductive Medicine Annual Meeting. Poster. Fertility and Sterility. Vol. 76, No. 3, Suppl. 1, September 2001.
