## Thank You for your Referral!

Our dedicated new patient referral coordinators will ensure your office receives confirmation via a fax, acknowledging your referral has been received and your patient's fertility journey has begun!

We put our patients' needs first. Our three practice locations, state of the art IVF laboratory, fully accredited ambulatory surgery center, and expert staff will support the safety, comfort, and success of your patients throughout their fertility care. We hope to earn and maintain our relationship with you, your staff, and the community by providing an exceptional patient experience and the results your patients deserve.
